

**A List of Papers and Books by Faculty of the College of Sciences
Published in Scientific Journals
Academic Year 1426/1427 H
Department of Zoology**

Ser.	Title of Paper	Area of Paper	Type of Paper			Date		Publisher	Main Author's Name & Participants		Sponsor(s)
			Translation	Theoretical	Practical	Finished	Publication		Job No.	Name	
1	Erffect of Prepoline Glicol on the Reproductive Performance of Buffalo in the after-Birth Period تأثير البريولين جليكول على الاداء التناسلي في الجاموس في فترة مابعد الولادة	Physiology			✓		2005	Al-Mansoura Univ. Journal	71903	Saleh Abdulhameed	Cairo Uni. College of Agriculture , Egypt
2	Enzymo-chemical Changes	Tissue Chemistry			✓	1426	1426	KSU Journal	464	Nouri Attayeb	
3	Enzyme tissue Chemistry	Tissue Chemistry			✓	1425	1426		KSU Journal	464	Nouri Attayeb
										Basheer Jerar	

4	Effect of Cadmium and Surplus Oxygen on the Activity of Superoxide Enzym ديسمبرز	Physiology			✓		1428		70804	As-Sae'ed Haffour	Sabec-Under Review
5	Effect of Bacteria Toxicity during the Adaptability to Cold	Physiology			✓		1428		70804	As-Sae'ed Haffour	Research Center-Approved
6	Effect of Surplus Oxygen on Mice's Brain Cells, Lung and Liver and the Effect of Glotabon Enzym	Physiology			✓		1428		70804	As-Sae'ed Haffour	Research Center - Underway
7	Effect of Temperature Chasnges on the Activity of Glotathion and Loctat Enzyms	Physiology			✓	1427	Sent for Publication	Medical Sciences Journal	70804	As-Sae'ed Haffour	Sabec
8	Joint effect of Surplus Oxygen and Lead on the Activity of LDH	Physiology			✓	1427	Sent for Publication	Biologic Sciences Journal	70804	As-Sae'ed Haffour	Research Center
										Ibrahim Al-Hazza'	
9	Effect of Cold-Adaptability on the Activity of Liver	Physiology			✓	1427	Underway		70804	As-Sae'ed Haffour	Research Center

	Lactat Dehydroeter Enzym									Awad Al-Juhani	
10	Joint effect of Surplus Oxygen and Lead on the Activity of Glotathion Enzym	Physiology			✓	1427	Underway		70804	As-Sae'ed Haffour	Research Center
11	Effect of the Toxicity of النوامة Snake on the Level of Loose Roots	Physiology			✓	1426			70804	As-Sae'ed Haffour	Research Center
12	Activity Increase in anti-oxidations and White Blood Cells during Exposure to Moderate tempertaure	Physiology			✓	1426		Journal of Medical Sciences	70804	As-Sae'ed Haffour	Research Center
13	Effect of Surplus Oxygen and old Age on Choleserol Level in Liver	Physiology			✓	1426		Journal of Biologic Sciences	70804	As-Sae'ed Haffour	Research Center
										Awad Al-Juhani	
										Ibrahim Al-Hazza'	
										Mohammed As-Sa'doun	
										Awad Al-Juhani	
										Ibrahim Al-Hazza'	

14	Effect of Old Age and Surplus Oxygen on the Activity of AST Enzym	Physiology	✓	1426		Journal of Comparative Physiology	70804	As-Sae'ed Haffour Mansour Al-Mansour	Research Center
15	Effect of the Toxicity of النوامة Snake on the Minute Structure of Liver Cells	Physiology	✓	1426	-	Journal of Medical Sciences	70804	As-Sae'ed Haffour Mohammed As-Sa'doun	Research Center
16	Effect of Extreme Temperature and Anoxia on the Level of Loose Roots	Physiology	✓	1426	-	1426	70804	As-Sae'ed Haffour Awad Al-Johani	Research Center
17	Effect of Chimotricine on the fertilization Mechanism	Physiology	✓	1426	-	Journal of Zoology	70804	As-Sae'ed Haffour	Research Center
18	Effect of Surplus Oxygen on Heart Thrust in Sleep Disease	Physiology	✓	1426	-	1426	70804	As-Sae'ed Haffour	Research Center
19	Microscopic Studies on Sarcosist of Sheep in KSA	Parasites	✓	1425	1426	Egyptian Journal of Parasites	71239	Bashtar- Al-Quraish –Ar-Rasheed	Research Center

20	The Non-mating Cycle of Imeria that effects Rabbits	Parasites		✓	1424	1426	Saudi Journal of Biology	71239	Bashtar- Ar-Rasheed - Al-Ghamdi - Mubarak	Postgraduate Studies
21	The Mating Cycle of Imeria that Affects Rabbits	Parasites		✓	1424	1426	Saudi Journal of Biology	71239	Bashtar- Ar-Rasheed - Al-Ghamdi - Mubarak	
22	Groth performnce and body composition	Fish		✓	1426		Saudi Journal of Biology	866	Nasser Al-Asqa	Department of Zoology
23	The Book of Fish Planting: Technique & Managemen	Fish		✓	1426			866	Nasser Al-Asqa	Department of Zoology
24	Ubiquitin primer chipifor identitication	Mole-cular Biology		✓	2005	2005	SJBS	13556	Abdulaziz Al-Khudairi	university
25	Novel presenilin1 mutation associated	Molecular Biology		✓	2005	2005	Neurosci	13556	Abdulaziz Al-Khudairi	King Abdulaziz City for Sciences and Technology

26	Molecular characterisation of a polyubiquitin	Molecular Biology		✓	2005	2005	SJBS	13556	Abdulaziz Al-Khudairi	University
27	Single nucleotide	Molecular Biology		✓	2005	2005	J.Med.Sci	13556	Abdulaziz Al-Khudairi	King Abdulaziz City for Sciences & Technology
28	Prevalence and distribution of sarcocystis species	Parasitic Protozoa		✓		2004	KSA	6294	Khaled Ar-rasheed	-
29	Description of Zoothamnium fossneri n.sp.	Parasitic Protozoa		✓		2005	Germany	6294	Khaled Ar-Rasheed	-
30	Taxonomic characterization of two marine peritrichs	Parasitic Protozoa		✓		2005	USA	6294	Khaled Ar-rasheed	-
31	Light and electron microscope part1	Parasitic Protozoa		✓		2005	KSA	6294	Khaled Ar-rasheed	-

32	Paraphysomonas - cell scales recovered from two	Protozoa Categorization	✓	2005	South Africa	6294	Khaled Ar-rasheed	-
33	Aunified organizonization of the stichotrichiro	Protozoa	✓	2006	poland	6294	Khaled Ar-rasheed	Small Grants for King Abdulaziz City
34	Problems in the systemtic classification	Protozoa	✓	2006	Germany	6294	Khaled Ar-rasheed	Small Grants for King Abdulaziz City
35	Light and electron microscope part2	Parasitic Protozoa	✓	2005	Germany	6294	Khaled Ar-rasheed	-
36	Role of zinc in the protection agoinst odmium induced hepototxicity	Texicology and Minute structure	✓	2006	Int.J.pharmacol	71208	Mohammed Mubarak	-
37	Skin lesions induced bysodium lounp sulfate (sls) in rabbits	Texicology and Pathhology	✓	2005	J.Biol. sci.	71208	Mohammed Mubarak	-

38	Effect of in oxiditive hair dye on the skin of domestic rabbits	Texicology and Pathhology			✓		2005	J.Biol. sci.	71208	Mohammed Mubarak – Mohammed Al-Wadhan	-
39	Ultrastructure of sperm toil	Texicology and Pathhology			✓		2006	J.Biol. sci.	71208	Mohammed Mubarak	-
40	Light and electron microsope of E.magra pererd 1925, infect the house rabbit. Oryctologus cunicutus from Saudi Arabia II. Gamogony and Oicyst femation	Texicology and Pathhology			✓		2005	Saudi F. Bid. Sci	71208	Mohammed Mubarak	-
41	Discovery of a New Kind of Imeria Parasite in Lizard <i>Scincus hemprichii</i>	Parasites		2006	✓	2006	2006	Egyptian Journal of Parasites	654 52410	Mohammed Al-Yousef Yasser Ash-Shawwa	College of Sciences - KSU

42	Discovery of a New Kind of Imeria Parasite in Lizard <i>Scincus hemprichii</i>	Parasites		✓	2005	2005	Egyptian Journal of Parasites	654 52410	Mohammed Al-Yousef Yasser Ash-Shawwa	College of Sciences - KSU
43	Discovery of a New Kind of Imeria Parasite in Lizard <i>Scincus hemprichii</i>	Parasites		✓	2005	2006	Egyptian Journal of Parasites	654 52410	Mohammed Al-Yousef Yasser Ash-Shawwa	College of Sciences - KSU
