

## **CEN 497: Graduation Project -2**

- Credit Hours (Lectures, Lab, Tutorial): 4 (4 + 0 + 0).
- Prerequisites: CEN 496.

**Courses content:** In this semester the student continues his work in the project. This may require the student to present his progress monthly. At the end of the semester the student presents a detailed report of developed project and oral presentation. The report should indicate that the student understands the topic and his specific implementation. Any hardware or software should be documented in detail. The students grade is based on his work during the project and commitment to fulfill objectives, on the report, and on his oral presentation.
